## "Daylilies"

### AND HOW TO GROW THEM

by Ben Arthur Davis

Published March 15, 1954, by Tupper and Love, Inc., Atlanta, Ga.

A book we have long been awaiting on the Daylily; giving us much detail and information on growing, use as garden flowers, value in indoor arrangements, hybridizing, history of the genus, propagation, culture and a coverage of the Daylily in five regions by leading Daylily authorities of the country. The book consists of 149 pages, measures 5 1/2 x 8 3/8 inches, and is richly illustrated, including a frontispiece in full color. All this for only \$3.50. Order from us today.

Many of our Iris, Peonies and Daylilies are included in the sets of 35 mm color slides available for rent for your club programs from Philip G. Corliss, P. O. Box 68 W., Somerton, Arizona. We suggest that you send him 10c for his illustrated catalog of 120 different slide sets.

# INFORMATION ON ORDERING

## TO OUR CUSTOMERS IN CANADA

TERMS. Cash with order; checks, drafts or money orders. Please do not send currency or stamps. **No. C.O. D.'s** as this adds cost to you and to us.

POSTAGE: On all retail orders of \$5.00 or more, we pay postage in U.S.A. Minimum order \$5.00; on smaller orders, add 50c service charge to defray postage and packing.

### ALL FOREIGN SHIPMENTS

We suggest air parcel post or air freight shipments outside of the U. S. A. with the exception of Canada and Mexico. Please include shipping charges with your order so shipment will not be delayed.

We ship many orders to Canada every year. There is a simple procedure which all Canadians must follow, however, in order to import plant material. Make out the list of firm you are ordering from and send it to the Plant Import Division of your Department of Agriculture at Ottawa. They in turn will send you a permit number and labels. Then you send your order, including the permit label, to us in the usual way. Please remit only by Canadian Postal Money Orders.
